Any Other Business Not Reasonably Anticipated by the Chairman:

Public Comments (if any): LW read a letter from herself, as a concerned citizen, in regards to taking the money back on \$540,000 voted by the taxpayers for plans on new Public Safety Building. JF explained that the residents voted for this and nothing can be done to reverse the will of the residents. Another resident asked if the petition was still going to be addressed by BOS. JF stated she would talk to Bob Hanson. SS asked LW what she wanted. LW asked that the petition signed by residents to halt the spending of the money be put on the warrant for the next Town Meeting. Resident inquired as to whether the Town would not have to pay out any monies in regards to the Crocker property. Resident asked what the signing of the warrants was for. It was explained those were for the payroll & bills. LW states 2019 budget has been removed from Town website. Selectmen will check on this tomorrow.

Assistant Town Administrator's Report: Read by SS and available on Town website.
