

Hearing 445 Fitchburg State Road, Blanchard, George Sullivan of Ross Associates representing.

DEP #93-322

Hearing opened at 8:34pm.

Lot only .6 ac.

The lot's and the abutter's wells forcing location.

Not much to say that wasn't covered at the site visit.

Commission will note on the plan that there is a potential vernal pool just off the applicant's lot to the rear so that the Board of Health will be aware.

Septic is conventional, fully in ground, no pump, no vent.

Bob will write the OOC.

Closed 8:45pm.
