TOWN OF ASHBY  
BOARD OF ASSESSORS  
FISCAL YEAR 2019  
VALUATIONS AVAILABLE

The Ashby Board of Assessors has completed a property revaluation for fiscal year 2019. Valuations which are pending Massachusetts Department of Revenue certifications are available for public inspection at the Assessors' Office until September 26, 2018. Taxpayers may obtain a property record card and discuss valuation issues during this time. Valuations are available online by clicking the link below, also available in the town hall in the Assessors' Office.

**Office hours are: Monday, Wednesday Thursday from 9:00 am to 1:00 pm.  
Wednesday from 4:00 pm to 8:00 pm and Friday from 9:00am to 12:00 pm.**

You may contact the Assessors Office at 978-386-2427 Ext. 15 or by email ASSESS@ASHBYMA.GOV.

Valuations reflect market value estimates as of January 1, 2018, utilizing calendar year 2017 arms length market sales, and will be used to calculate final tax payments for fiscal year 2019.

All assessments are estimates that approximate market value. Many factors influence what a buyer might pay for a property, but only those that are readily quantifiable are used in estimating your valuation. For example, your assessment is based on features like location, land area, building area, type and grade of construction, age and condition, and amenities like garages, swimming pools and finished basements. Examples of property features not considered in your assessment include curb appeal, home décor, landscaping, and even annoying neighbors. We recognize that these latter features might well impact on sale price, but are not readily measured and difficult to defend.

Percent increase to valuations are as follows:

- Residential 12%
- Commercial 10%
- Industrial 8%
