Role of the finance committee

Reviewed Article 15 on zoning by law, needed to further discuss, changes continue to be made to the wording of this article. (This can be addressed at the pre-town meeting April 28, 2010)

-Worked on the budget for 2011 discussing changes that were made by Peter.

-Discussed repair work needed on the American Legion.

-Lack of supplied documentation was making the 2011 budget very difficult

-Need clarification from the Town Accountant on (\$7084.54) EMS balance on the Statement of Revenue, Budget vs. Actual report.

-Motion was made and accepted to change the vote on Article #7 to Disapproved.

Martha refused to have her name associated with this budget. Town Officials have continually withheld requested financial documentation, and she will not be part of misleading the town.

-Suggestions were made for motions on 2011 budget, to be reviewed further at the next meeting.
